

Homework:

5 words (Please make 2 or 3 example sentences for each word. You may want to check the meaning/definition before you make the examples).

Understanding (adj.) , assume (v.), allow (v.), suitable (adj.), grow (v.)

5 words (teachers version)

Understanding

Jamie is an understanding person, please be understanding to the victims, me and my wife have an understanding (she lets me play games and I let her watch TV)

assume

Don't assume that Japan will always be safe, the teacher assumed that I was bad at English (but that's not true), assuming tomorrow is sunny, let's have a BBQ.

allow

I allow my children to go to the park alone, allowing them to go alone is good for their life experience, there are no nuclear weapons allowed in Japan.

suitable

I need to find a suitable textbook, this old textbook is suitable, suitable textbooks are hard to find.

grow

The plant in my garden grew very big, the plant in my garden is still growing, the plant is now fully grown.
